

6限目 「背中ドン」 back-don

hm
?

is
this
real?

seriously
bad

what's
with
the
uproar?

this
is really
terrible!

it should
be a good
opportunity
to rebuild
the thing

well but
if it's just
the oldy
moldy
school
storage
house

could the
gasoline
I lined up
be the
cause?

oh
wh-
oops

home ec?
home ec
means

eh
?

ehh??
that can
not be!

there are
people of
the home ec
club still in
there for
the new
members,
vice-
principle!

not
good

ah
...
...

but
I'm not
hurt
anywhere

huh

daaash

how lucky,
my body had
become sturdier
because of all
the bullying

we're all
shadows
in this
world
anyway

y..
you're
right
let's
give
up

umm
...

Koyama-
kun, you
know...

Koyama-
kun we
can't go on
anymore

tough
tough

let's stay
at our
only place
of rest,
the home
ec club
room

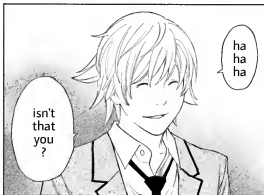

Ge-
tsuto-
kun
!?

kya
aaa
!

Koi
sama
kun

let's
gather
men and
pour water
on our
heads to
go...

vice-prin-
ciple !

he
came to
save
us...

eh

also
sensei
Getsuto-
kun is
still in
there!

if we
don't go
save
him...

but a
beam
cumbled
and he
can't move
anymore

woow
it's become
a large
tumult

completely
falling
to
pieces

not
here

huh
?

I
should've
told the
truth
instead
of acting
cool

to
Dai-
chan

....

anyone assume
i'm gay in the
first place
!??

i
assumed
you
weren't
gay
